

Drop n' Prep

Tuesdays and/or Wednesdays

10:15 - 12:15

Ages 2.5 - 4

April 3rd - June 13th

Do you have a child that will be starting Preschool or Kindergarten soon? We have designed a class to help your toddlers get ready for the time away from you as well as begin to learn in a school-like structure. Our class will focus on the emotional and social impact of drop off classes to help ease the transition for both you and your child.

During class we will participate in circle time, crafts, and games. Throughout all of our activities children will strengthen their social, gross motor, fine motor and coping skills. Children will learn to follow instructions from an instructor and work on developmentally appropriate themes through child-led and instructor-led activities.

Children must have started the potty training process.

We are limiting this class to 10 children so please sign up at your earliest convenience.

Classes will run as a 10 week Program.

2 days/ week receive 50% off the second day (\$660 value) only \$495
