# Class Descriptions

## **Terrific Tadpoles (1yr-2yrs), Perfect Pollywogs (2yrs-3yrs)**

Parents and caregivers participate in this class with their toddlers as they are introduced to new experiences and activities each week. Children strengthen motor skills through equipment play, games, songs and group activities. This is a great opportunity to develop peer interactions, build self-esteem and confidence. We encourage the children in class to participate in the activities presented, however, it is not mandatory. If we are doing something the child does not enjoy, it's fine to play on the slides or with something else and then join back with us when we switch activities.

## **Fantastic Frogs (3.5yrs-4yrs)**

This class is for children that are building confidence in playing independently with their peers. We will focus on developing motor skills through equipment play, games, songs and group activities. This is a great opportunity to learn how to play, share and bond with other children of a similar age. This class helps to prepare the children for the direction and structure of kindergarten. Parents can choose to stay in the gym with the children, watch from our observation room, or drop off the children and pick up at the end of class.

***Tadpoles, Pollywogs and Frogs are separated for some classes and together for other classes on the schedule. Pick the one that's best for you and your child! Drop off for classes is only available for children over 3.5 years old. Parent participation is required for children up to age 3.5.***

## **Drop n' Prep (Ages 2.5 - 4)**

This class will help your toddler get ready for their time away from you as well as begin to learn in a school-like structure. This class focuses on emotional and social impact of drop off classes to help ease the transition for you and your child. Choose 1 or 2 days per week.

## **Cheerleading**

Cheerleading is currently in progress. Please call for details.

## **Awesome Alligators**

Parents and caregivers can optionally participate in this class with their children with special needs or the children can participate independently. This class is facilitated by an instructor with special needs certification as well as another assistant instructor. We will provide various activities for the children to learn and grow more independent and practice their social and play skills.

## **Open Play \$7 for admission per child**

Open play is available to members and non-members. Open play is not facilitated or monitored in the gym by staff. You may use the gym and the equipment that is in the gym as you wish (within gym rules) and you must stay with your children. You must sign in when you enter which serves as your waiver as well.
