Class Descriptions

Terrific Tadpoles (1yr-2yrs), Perfect Pollywogs (2yrs-3yrs)

Parents and caregivers participate in this class with their toddlers as they are introduced to new experiences and activities each week. Children strengthen motor skills through equipment play, games, songs and group activities. This is a great opportunity to develop peer interactions, build self-esteem and confidence. We encourage the children in class to participate in the activities presented, however, it is not mandatory. If we are doing something the child does not enjoy, it's fine to play on the slides or with something else and then join back with us when we switch activities.

Fantastic Frogs (3.5yrs-4yrs)

This class is for children that are building confidence in playing independently with their peers. We will focus on developing motor skills through equipment play, games, songs and group activities. This is a great opportunity to learn how to play, share and bond with other children of a similar age. This class helps to prepare the children for the direction and structure of kindergarten. Parents can choose to stay in the gym with the children, watch from our observation room, or drop off the children and pick up at the end of class.

Outdoor Sensory Salamanders (Ages 2-4)

Parents, caregivers and children participate in this outdoor activity class based on playing and learning through our senses. These classes are designed to allow children to have hands on experience playing with different materials and textures (be aware, we get messy!). This outdoor class will start September 10 and will run for 6 weeks (instead of the normal 8 weeks listed on the front of this schedule for our other classes). In the event of uncooperative weather, we will cancel class and extend the session when needed. Please watch our website and/or Facebook page to see if any classes are canceled.

Drop n' Prep (Ages 2.5 - 4)

This class will help your toddler get ready for their time away from you as well as begin to learn in a school-like structure. This class focuses on emotional and social impact of drop off classes to help ease the transition for you and your child. Children must be at least in progress with potty training. Choose 1, 2 or 3 days per week. Price is \$295 for one day per week, \$520 for 2 days per week or \$725 for 3 days per week for 8 weeks.

Cheerleading (Ages 4-9)

This introductory cheer class will teach children basic cheer movements, jumps and tumbling in a non-competitive environment. They will learn sideline cheers as well as an exciting routine filled with stunts, hip hop dancing, tumbling, and jumping which they will perform at the end of the session for family and friends in our gym.

Drama Llamas (Ages 6 and up)

This new class will teach children about acting and performing plays and skits. They will help write scripts, learn acting techniques, plan props and wardrobes and will allow them to opportunity to practice performing in front of an audience. The final class will be a performance for all friends and family to watch in our gym. This class meets twice per week on Tuesdays and Thursdays. The cost is \$225 for both days each week (total of 16 classes)

Open Play \$7 for admission per child

Open play is available to members and non-members. Open play is not facilitated or monitored in the gym by staff. You may use the gym and the equipment that is in the gym as you wish (within gym rules) and you must stay with your children. You must sign in when you enter which serves as your waiver as well.
