## Class Descriptions

### **Terrific Tadpoles (1yr-2yrs), Perfect Pollywogs (2yrs-3yrs), Fantastic Frogs (3.5yrs-4yrs)**

Parents/caregivers participate in this class with their toddlers as they are introduced to new experiences and activities each week. Children strengthen motor skills through equipment play, games, songs and group activities. This is a great opportunity to develop peer interactions, build self-esteem and confidence. We encourage the children in class to participate in the activities presented, however, it is not mandatory. If we are doing something the child does not enjoy, it's fine to play on the slides or with something else and then join back with us when we switch activities. Each age group is structured similarly with age appropriate activities throughout the class.

### **Baby Tadpoles (Ages 8 months to 14 months)**

Parents/Caregivers participate in this class with their babies and non-walkers. Children will be exposed to different activities and sensory experiences to help them develop their motor skills, confidence and agility. Activities will be tailored to the children participating in the class and their abilities and goals.

### **Drop n' Prep (Ages 2.5 - 4.5)**

This drop off class will help your toddler get ready for their time away from you and begin to learn in a school-like structure. This class focuses on emotional and social impact of drop off classes to help ease the transition for you and your child. The class consists of 1 hour of gross motor skill play time in the gym and 1 hour of time in our classroom for craft, snack, story and fine motor skill activities. Children do not need to be fully potty trained, but they must be aware of the potty and it's purpose and willing to try to use it everyday. Class meets 2 days per week based on age. Cost for class is \$225 per month Sept 1-June 1. Classes begin Sept 9 and end June 19. There will be no classes November 26-29, December 24-January 3, April 14-17. See Drop N Prep flyer for full details.

### **Open Play Information**

Open play is available to all children of all abilities and is for members and non-members. Admission is \$7 per child and all children that are walking must pay the admission fee. Adults and children aged 15 and over are free. There is a minimum admission fee of \$7 per immediate family. For example, if you are attending with only one child that does not walk, you must pay the \$7 admission fee to enter. If you have two children and one walks and one does not, the fee to enter is still just \$7 as the non-walking child would enter for free. Open play is not facilitated or monitored in the gym by staff. You may use the gym and the equipment that is in the gym as you wish (within gym rules) and you must stay with your children. You must sign in when you enter which serves as your waiver as well.
