Class Descriptions

Terrific Tadpoles (1yr-3yrs) Cost: \$100 for a 4 week session, one class per week, one hour per class

Parents/caregivers participate in this class with their toddlers as they are introduced to new experiences and activities each week. Children strengthen motor skills through equipment play, games, songs and group activities. This is a great opportunity to develop peer interactions, build self-esteem and confidence. We encourage the children in class to participate in the activities presented, however, it is not mandatory. If we are doing something the child does not enjoy, it's fine to play on the slides or with something else and then join back with us when we switch activities. Each age group is structured similarly with age appropriate activities throughout the class. Class is limited to 5 families max.

Sensory Salamanders - (Ages 2.5 - 4) Cost: \$100 for a 4 week session, one class per week, 45 minutes per class

Parents, caregivers and children participate in this outdoor activity class based on playing and learning through our senses. These classes are designed to allow children to have a hands on experience playing with different materials, textures and the elements of the environment (be aware, we get messy). In the event of uncooperative weather, we will cancel the class and extend the session to accommodate a makeup class. The first class will begin on September 14th and there will be a total of 4 classes for this session. Classes are held outside at Whippersnapper's Play Gym. Class is limited to 8 children max.

Drop n' Prep (Ages 2.5 - 4.5) Cost: \$325 for a 4 week session, 2 classes per week, 2 hours per class.

This drop off class will help your toddler get ready for their time away from you and begin to learn in a school-like structure. This class focuses on emotional and social impact of drop off classes to help ease the transition for you and your child. The class includes gross motor skill play time in the gym and in our outdoor play yard, small motor skill crafts, developing listening skills with story time and snack time. Children do not need to be fully potty trained, but they must be aware of the potty and it's purpose and willing to try to use it everyday. Class meets 2 days per week based on age. Cost for class is \$325 every 4 weeks for a total of 9 sessions throughout the school year. Class is limited to 6 children max. Classes begin Sept 8 and end June 11 with a graduation ceremony in the evening of June 11. There will be no classes November 24-27, December 22-January 1, April 13-16. See Drop N Prep flyer for full details.

Private Gym Rentals:

Rent the gym for the private use of your family and optionally one other close family that you'd like to bring in with you. The cost for 1 hour and 15 minutes of gym time is \$45. Please see our website for more details of this program.

MISSED CLASSES/REFUND INFORMATION: Class sessions are 4 weeks long and unfortunately, make up classes are not permitted due to new cohorting requirements. If you cannot make it to your regularly scheduled class, you will forfeit that class. Class participants receive a discount on 1 private gym rental to be used once during the session that they are enrolled in classes. We will not provide refunds or credits for any missed classes or if you have to withdraw from class. If we have to close for any reason, we will provide a credit for a future service for any unused portion of your payment.

If you would like to enroll in a class using a credit from a previously cancelled activity, please call/email us for instructions on how to do that.
