## Birthday Party Policies

Effective October 19, 2020. Updated March 23, 2021

**Please make sure you read and understand all of these policies before registering for a Birthday party.** If you have any questions, please contact us to clarify. Safety is our highest priority at this time. Thank you all very much for your continued support and participation in our programs and for following our new policies to keep everyone safe while being able to play and celebrate together again. Birthday Parties are for 1 hour and 45 minutes only. The first 75 minutes will be in the gym and the last 30 minutes will be in the party room for food and cake.

We will have 2 options for parties.

- 1) A fully staffed party that will facilitate games and activities with the children in the gym for 75 minutes. The last 30 minutes will be unstaffed in the party room. The bounce house and zip line are included. Cost is \$359.
- 2) A non-staffed party. You are free to use the gym for 75 minutes and the party room for the last 30 minutes. Staff will not be present in the gym with you. The bounce house and zip line are not included. Cost is \$259.

For both options, there is a maximum of 18 children and 35 total people permitted (adults, children and infants all count towards the total headcount). A non-refundable deposit of \$125 is required at the time of booking. All deposit payments will be made via an invoice which will be sent to your email. You will have 24 hours to pay the deposit to hold your time slot. The balance of the party cost (\$234 or \$134 depending on which party you choose) will be due the day of the party and will be paid electronically via invoice. Members that are currently enrolled in our classes receive a \$30 discount applied to the balance. Staff will no longer be in the party room with you while you are eating. You will need to facilitate serving the food and cake to your guests. We will be close by if you need anything and also to help keep your party on schedule. The gym will be closed and unavailable for your use during the last 30 minutes of the party while you are eating in the party room so that we can clean and disinfect.

Masks are required for all adults and children over the age of 3 at all times during the first 90 minutes of the party. Masks may be removed during the last 30 minutes of the party in the party room while you and your guests are eating but they must be put back on when exiting the party room for any reason. We will have adult and child masks available if anyone forgets theirs.

All guests attending (adults and children) must complete a Comprehensive Waiver of Liability and COVID-19 Certification COVID-19 Certification electronically prior to arrival. The Waiver and COVID-19 Certification for children must be completed by a parent or guardian only. It cannot be completed by another relative or friend. If someone other than the parent/guardian will be bringing your child to the gym, that person must also fill out a COVID-19 Certification for themselves prior to arrival. The party host will receive a link to the waiver which will need to be shared with all guests. These forms only need to be completed one time only, prior to your first visit

When guests arrive, they will enter at the front door and wait to be greeted. A staff member will take temperatures and assist with hand sanitizing. Once guests have all three items completed (waiver on file for all attendees, hands sanitized, and temperature below 100.4) they may proceed to the cubby area. We are encouraging people to leave all unnecessary items in your car, but you can leave your keys and shoes or whatever else you bring in with you in the cubby. After you and your child remove your shoes, you may then enter the gym. Please make sure your guests are aware that there are no shoes permitted in the gym and they should be prepared to remove them.

We will be thoroughly cleaning the gym, cubbies, and bathrooms before and after every group uses the gym and will also clean items during activities as needed. The lobby is now closed and our water cooler is no longer available for use. All food and drinks must stay in the party room/kitchen. Guests are not permitted to bring food or drinks into the gym area. Both of our restrooms will be open.

Whippersnapper's Play Gym reserves the right to update or alter any of these policies at any time as state regulations are updated or the current environment warrants such changes.
