

Birthday Party Policies

Effective September 12, 2021

Please make sure you read and understand all of these policies before registering for a Birthday party. If you have any questions, please contact us to clarify. Safety is our highest priority at this time. Thank you all very much for your continued support and participation in our programs and for following our policies to keep everyone safe while being able to play and celebrate together again.

COVID-19 Precautions: Masks are required for all adults and children over the age of 2 at all times regardless of vaccine status for the first 70 minutes of the party. Masks may be removed during the last 30 minutes of the party, in the party room, while you and your guests are eating but they must be put back on when exiting the party room. We will have adult and child masks available if anyone forgets theirs. Temperatures will also be taken upon arrival and anyone with a temperature of 100.4 or higher will not be able to enter. We will be thoroughly cleaning the gym, cubbies, and bathrooms before and after every group and will also clean items during activities as needed.

Party Structure: Our parties are 1 hour and 40 minutes and consist of 3-4 Staff members that will facilitate games and activities with the children in the gym for the first 70 minutes. The bounce house and zip line are included. The last 30 minutes will be unstaffed in the party room. You and your guests will be permitted to remove masks in the party room only when it is time to eat. You will be required to facilitate serving the food and cutting and serving the cake. Our staff will clean everything up for you when you are done. Staff will be available if you need anything and will also help keep your party on schedule. The gym will be closed and unavailable for your use during the last 30 minutes of the party while you are eating in the party room so that we can clean and disinfect. Please do not arrive more than 10 minutes prior to your party start time.

Cost and Payments: Cost is \$359 for the 1 hour and 40 minute party and includes 16 children. All children that play in the gym and participate in the activities count towards the total. If you have more than 16 children, the cost is \$10 extra per child with a maximum of 22 children total that can attend a party. A non-refundable deposit of \$125 is required at the time of booking. All deposit payments will be made via an invoice which will be sent to your email. You will have 24 hours to pay the deposit to hold your time slot. The balance of the party cost will be due the day of the party. Members that are currently enrolled in our classes receive a \$30 discount applied to the balance. If you need to reschedule your party, there is a fee of \$40 to change the date/time.

Waivers: When guests arrive, they will enter at the front door and wait to be greeted. A staff member will take temperatures and assist with hand sanitizing and then the guest will need to complete and sign our waiver of liability and covid screening questions.

Gym Policies: All food and drinks must remain in the party room or kitchen. There is no food permitted in the gym. Shoes are not permitted in the gym for parents or children. Please make sure your guests are aware of this and are prepared to remove their shoes before entering gym. We do not permit alcohol, smoking or vaping. Stick/Hit piñatas are not permitted, but you may have pull string piñatas. Any child dropped off for the party is the responsibility of the person that scheduled the party.

Whippersnapper's Play Gym reserves the right to update or alter any of these policies at any time as state regulations are updated or the current environment warrants such changes.
