## Private Gym Rental Policies

Updated September 23, 2021

**Please make sure you read and understand all of these policies before registering for a private gym rental.** If you have any questions, please contact us to clarify. Safety is our highest priority at this time. Thank you all very much for your continued support and participation in our programs and for following our new policies to keep everyone safe while being able to play together again.

Gym rentals are for 1 hour and 15 minutes only. The gym will be closed between rentals for full cleaning and disinfection.

All payments for gym rentals must be made electronically through our website. Gym rentals will be limited to one family/group of friends with a maximum of 12 people total (including infants). Rentals are available on a first to register online basis. Please make sure you are committed to your time slot when you register and pay as we will not be able to change your time or provide a refund for any reason. Refunds also will not be provided if you arrive and show signs of COVID-19 and are denied entrance.

Masks are required for all adults and children over the age of 4 when entering, exiting and when going to/from the restroom. Once you are in the gym you are welcome to remove your masks if you wish and are comfortable doing so. This option to remove masks is only available during private gym rentals, not open play, classes or birthday parties.

A waiver must be completed upon arrival which includes a COVID self-certification to minimize risk.

Whippersnapper's Play Gym reserves the right to update or alter any of these policies at any time as state regulations are updated or the current environment warrants such changes.
