General information:

- Our camp is for ages 3-8. We cannot make exceptions for a child that is 2 or “almost 3”. We can make exceptions for children that have been here before for camp and would like to return again at age 9. Please call us to discuss if you have a 9 year old that would like to return again.
- All children attending camp must be potty trained. We can help younger children in the restroom if needed (wiping, pulling up clothing, etc), but we cannot accept children in diapers or pull ups.
- Enrollment opens April 2 at 9:30 in our online store.
- If you need to cancel a day of camp, refunds are not available for any reason. A credit for a future service at Whippersnapper's is available only if 24 hours notice prior to drop off time is provided. You may call us at 203-272-4386 or send an email to info@whippersnappersplaygym.com at least 24 hours prior to drop off and we will give you a credit for a future camp day or other service.

The following is a copy of the policies that you will need to agree to when completing our online registration. This copy below is for your reference during the summer.

Refunds and Late Fees: All payments are non-refundable. Whippersnapper's Play Gym plans camp activities, crafts, supplies, staff ratios, and other registrations based on enrollments. Because of this, we cannot provide refunds for any withdrawals from camp for any reason, including illness. We can, however, provide customer credit for any unused portion of your payment, for a future service only if we are provided with 24 hours notice of absence from the scheduled drop off time. All payments made for camp are forfeited by the customer if at least 24 hours notice is not provided. All credits must be used within one year. If, for any reason, the parent/guardian is more than 15 minutes late from the scheduled pick up time to pick up their child there will be a late fee charge of \$25 per half hour per child to be paid upon pick up.

Sunscreen Selection: All children MUST have sunscreen applied prior to being dropped off. We will have the campers re-apply sunscreen during the day and staff members may assist them if needed. You will have the option of using your own sunscreen or using our Whippersnapper's provided sunscreen. The enrollment form will ask for you to indicate your preference.

Photo Release: Whippersnapper's Play Gym will take photos of campers and camp activities to share with our families on our social media platforms and may use photos of participants and their likeness in our brochures, websites, and/or other promotional materials. The enrollment form will ask for you to opt in or out of this release.

COVID-19 Procedures: I will monitor my child for signs and symptoms of COVID-19 including fever of 100.4 or higher, cough, congestion or loss of taste or smell. If my child is exhibiting any of these symptoms, I understand that he/she will not be permitted to attend camp. If my child develops any of these symptoms during the camp day, I will be called to pick up my child immediately.

Emergency Authorization: In the event that no guardian or emergency contact listed can be reached, I hereby give permission to the medical personnel selected by the Camp Director to order x-rays, routine tests and/or treatments for the participant referenced above. I hereby give permission to the physician selected by the Camp Director to hospitalize, secure proper treatment for and to order injection, anesthesia and/or surgery as deemed necessary for the participant referenced above. I agree to the release of any records necessary for treatment, billing, referral or insurance purposes.

Concussion Procedures: I have received and read Whippersnapper's Play Gym's "Concussion Fact Sheet For Parents" and "Concussion Action Plan" and have had the opportunity to ask any questions. I understand Whippersnapper's Play Gym staff will abide by their concussion policies and procedures in evaluating any injuries that may occur and will take appropriate steps as needed. Progressive Discipline Policy: Whippersnapper's Play Gym adheres to a progressive discipline plan which uses progressive warnings and the term "take a break". If a child is being too rough with others, not following rules, or unsafe in any way, we will escort the child to a safe area to ask them to take a short break to help them collect themselves and refocus. This is not considered a punishment, just simply a short break to talk, calm down and help them understand their behavior was not safe. If the behavior persists further and causes significant disruptions to the camp day or to other campers with either significant frequency and/or duration and/or severity, a parent/guardian will be called to come pick up the child. This decision will not be made lightly and only will occur in the most extreme circumstances. If this situation occurs, a meeting between a camp director, parent/guardian and child will need to take place to determine what can be done to allow the child to return to camp. Refunds or Credits will not be provided if a child needs to be picked up early for behavior issues.

Physical Requirement: A copy of the camper's physical, dated within 36 months of the day of attendance at camp and signed by the camper's physician is required to be on file at Whippersnapper's Play Gym. The physical is required to have a proof that the camper is current with all vaccinations. If the child is not up to date with all vaccinations, a notarized letter indicating the reason for lack of vaccinations must be provided to Whippersnapper's 2 weeks prior to attendance at camp. The COVID-19 Vaccine is not required at this time. https://portal.ct.gov/-/media/SDE/School-Nursing/Forms/EC_HAR.pdf

Medication Authorization: If your child is required to take medication while they are at camp, you will need to have a medication authorization form completed and signed by both the parent/guardian and the doctor. This is the form that we will need: https://portal.ct.gov/-/media/SDE/School-Nursing/Forms/Medication_Form.pdf

This form is required for both prescription and over-the-counter medications. The medication must be in its original container and must have the original prescription label attached. If your child has an epipen, sometimes the action plan instructs us to administer Benadryl also. If your plan states this, you must also provide the Benadryl.

Waiver of Liability: I hereby authorize my child's participation in the activities offered at Whippersnapper's Play Gym/Day Camp and hereby absolve and release Fun For All, LLC dba Whippersnapper's Play Gym and its employees from any and all claims for injuries or damages that may be incurred by my child in the activities sponsored by Fun For All, LLC.
