Class Descriptions

Parent Participation Classes Cost: \$150 for a 6 week session, one class per week, 60 minutes per class

Parents/caregivers participate in this class with their toddlers as they are introduced to new experiences and activities each week. Children strengthen motor skills through equipment play, games, songs and group activities. This is a great opportunity to develop peer interactions, build self-esteem and confidence. We encourage the children in class to participate in the activities presented, however, it is not mandatory. If we are doing something the child does not enjoy, it's fine to play on the slides or with something else and then join back with us when we switch activities. Each age group is structured similarly with age appropriate activities throughout the class. Class is limited to 10 children. You may make up 1 class per 6 week session. Class participants receive 1 free open play admission per session.

Drop n' Prep (Ages 2.5 - 4.5) Cost: \$325 for a 4 week session, 2 classes per week, 2 hours per class

This drop off class will help your toddler get ready for their time away from you and begin to learn in a school-like structure. This class focuses on emotional and social impact of drop off classes to help ease the transition for you and your child. The class includes gross motor skill play time in the gym and in our outdoor play yard, small motor skill crafts, developing listening skills with story time and snack time. Children do not need to be fully potty trained, but they must be aware of the potty and it's purpose and willing to try to use it everyday. Class meets 2 days per week based on age and make up classes are not available. Class participants receive one free open play admission per session. You may enroll or withdraw at any time. Class is limited to 8 children. Classes begin Sept 7 and end June 10 with a graduation ceremony in the evening of June 10. There will be no classes November 23-26, December 21-31, April 12-15. See Drop N Prep flyer for full details.
