# Class Descriptions

## **Parent Participation Classes Cost: \$150 for a 6 week session, one class per week, 60 minutes per class (Saturdays \$125 for 5 weeks)**

Parents/caregivers participate in this class with their toddlers as they are introduced to new experiences and activities each week. Children strengthen motor skills through equipment play, games, songs and group activities. This is a great opportunity to develop peer interactions, build self-esteem and confidence. We encourage the children in class to participate in the activities presented, however, it is not mandatory. If we are doing something the child does not enjoy, it's fine to play on the slides or with something else and then join back with us when we switch activities. Each age group is structured similarly with age appropriate activities throughout the class. Class is limited to 10 children. You may make up 1 class per 6 week session. Class participants receive 1 free open play admission per session.

## **Drop n' Prep (Ages 2.5 - 4.5) Cost: \$325 for a 4 week session, 2 classes per week, 2 hours per class**

This drop off class will help your toddler get ready for their time away from you and begin to learn in a school-like structure. This class focuses on emotional and social impact of drop off classes to help ease the transition for you and your child. The class includes gross motor skill play time in the gym and in our outdoor play yard, small motor skill crafts, developing listening skills with story time and snack time. Children do not need to be fully potty trained, but they must be aware of the potty and it's purpose and willing to try to use it everyday. Class meets 2 days per week based on age and make up classes are not available. Class participants receive one free open play admission per session. You may enroll or withdraw at any time. Class is limited to 8 children. Classes begin Sept 7 and end June 10 with a graduation ceremony in the evening of June 10. There will be no classes November 23-26, December 21-31, April 12-15. See Drop N Prep flyer for full details.

## **Outdoor Explorers (Ages 2.5-4) Cost: \$140 for a 5 week session, 1 class per week, 45 minutes per class.**

Parents, caregivers and children participate in this outdoor activity class based on playing and learning through our senses. These classes are designed to allow children to have hands on experience playing with different materials and textures (be aware, we get messy!). In the event of uncooperative weather, we will cancel class and extend the session if needed. Please watch our website and/or Facebook page for schedule changes.

## **Open Play Cost: \$12 per child admission. Adults and non-walking siblings of paying children are free.**

This program gives you access to play in the gym with no instructor. You must accompany your child in the gym while they are playing. The times for open play vary—please check our website home page for current information.

## **Cancellation/Refund Policy**

We will not provide refunds or credits for any missed classes or if you have to withdraw from class. If we are required to close for any reason, we will provide a credit for a future service for any unused portion of your payment. One make up class per session is permitted and must be scheduled ahead of time.
