

Drop n' Prep

Drop off classes for ages 2.5-4

2026-2027

Our Drop N' Prep Program is the perfect first step in your child's school journey! Whether they're heading to preschool or kindergarten, we help little learners build the independence, confidence, and skills they need to thrive. In our fun, safe, and nurturing environment, children grow through hands-on play, creative crafts, engaging games, and joyful music. Along the way, they develop essential social and motor skills – all while making friends and having a blast! Give your child a confident start and watch them shine!
